Dr. James Henderson  
Provost  
Campus

Dear Dr. Henderson:

The Faculty Senate met on January 21, 2016 and voted to approve the original draft of the policy on extension of the probationary period for faculty. This vote reversed an earlier action suggesting that faculty be permitted to ask for an extension in the final year prior to the tenure decision. I have attached a copy of the original policy you sent to the Senate last year to avoid confusion. The attached document has now been approved by the Senate with no changes.

Best Regards,

  
Lewis Deaton  
President, Faculty Senate
