Does wording need to change from "with a grade of C or better" to "with a minimum grade of "C""?  The (3,0,3) indicates a lecture course, but this is an individual study course – 3a  "Change Prereq to read: Meets eligibility for MATH 109 (or have completed MATH 109), AP Review already signed  Does wording need to change from "with a grade of C or better" to "with a minimum grade of "C""?  Current catalog entry has prereq of "MIA 101 or permission of instructor." New version is just "MIA 101." Change form does not indicate a Pre/Co Req change – so do they want to keep the permission or not?  Should "Enrollment must be approved by Instructor" be a Restriction? 8b.  Form for MIA 352, Digital Video Production I, states it is a prereq for MIA 356, Digital Video Production II. However, form for MIA 356 does not mention MIA 352. It probably should.  Need effective date Section I, also indication of pre/co-requisite	If changes are suggested please note the appropriate section in the Course Style Guidelines document (available in the Committee Member Resources section of Graduate Curriculum Committee Moodle site, e.g. add Restr:  permission of instructor required -7h)
