Good Morning Rose,

Please find the attached MOU which contains all of the information provided in the previous MOA that you all sent. I think you all may have used an old draft of the template, but I have updated this Excelia Group's Agreement so that it contains all of the language we agreed upon. Please note that there are a couple of areas (in red and with comments) that need to be filled in, such as contact info and representative names and titles.

Also, for your convenience, I have attached a blank template to use going forward.

If you all have any questions, please feel free to contact me any time.

Thanks,

Dear Lindsay,

Attached is the draft agreement between La Rochelle University in France and UL Lafayette for your review. We used the MOA template that has been pre-approved by Operational Review and Dr. Leroy. Please let us know if we can print and route this agreement for Dr. Savoie's approval. Thank you for your kind assistance in this matter.
