Kensley,

We would be happy to provide you with digital copies of portions of the collection, though we will not digitize the whole thing per our policy. Please fill out the following Digitization Request Form (<https://library.louisiana.edu/collections/digitization/digitization-request-form>). For a look at our policies and fee structure, please consult our Digitization and Photoduplication Policy (<https://library.louisiana.edu/collections/digitization/policy>).

We are currently closed for the holidays, but we will reopen on January 3. By then, assuming the Request Form is submitted beforehand, someone should get back to you on this request.

Thanks,

Zack Stein

To whom it may concern,

I was hoping to get help getting a copy of the Recollections of Ory Poret A Brief Autobiography, Nov. 2000. I am a descendant of his and I am currently working on updating the family history. His book along with the other items in the Ory Garard Poret Collection would be very helpful for me to continue our family history work. The collection is listed the special collections room at the university library and labeled as Collection 347, Poret, Ory Garard (1919-2014). Collection, 1942-1945, 1972, 2000.

If there is any way I could receive help getting a copy of the collection it would be much appreciated. I currently reside in Texas so if there is an option that the items could be shipped I will pay for all shipping fees. Please let me know if any of this would be possible.

Thank you for all of your help.

Thank you,
