

Embrace Diversity

We have a gift for bringing people together—because we believe everyone benefits when people of different ages, ethnicities, sexual orientations, and backgrounds join together to learn, live, and grow.

We know that an inclusive environment allows us to turn our differences into opportunities to forge new collaborations.

We Celebrate Diversity

The mission of the Office for Campus Diversity is to foster inclusion, appreciation, and understanding of diversity by advising the President and the University community on diversity-related initiatives, issues and goals. Diversity includes all characteristics that makes each one of us unique, including race, gender, religion, national origin, citizenship, physical and learning ability, sexual orientation, age, and socioeconomic background.

The Office for Campus Diversity provides leadership to recruit and retain a diverse student body, faculty and staff in order to promote a quality and diverse learning and social environment on the campus of the University of Louisiana at Lafayette. Browse our website to learn about all the resources and services we offer to students, faculty, staff and the community.
