## LGBTQ Resources

### Project ALLIES

The mission of Project ALLIES (Alliance Linking Leaders In Education and Services) is to provide a network of informed students, faculty and staff who are willing to be visibly supportive of the lesbian, gay, bisexual, transgender, and queer community at the University of Louisiana at Lafayette. ALLIES will work to foster a campus climate in which all members of the University community, regardless of sexual orientation or gender identity, may feel safe, supported, respected, and affirmed.

If you are interested in learning more about the Project ALLIES - LGBTQ+ 101 Workshop, please contact us at [diversity@louisiana.edu](mailto:diversity@louisiana.edu).

### PROJECT ALLIES

This is a safe and inclusive space  
 for people who identify as  
 lesbian, gay, bisexual, transgender,  
 intersex, queer, asexual, pansexual  
 and those exploring their identities.
