Financial Aid Appeals

Financial Aid Appeal

Financial aid eligibility status is based upon meeting satisfactory academic progress standards (SAP). SAP is the term used to denote a student's successful completion of coursework towards a degree. If you fail to achieve minimum standards for Grade Point Average (GPA) and completion of classes you may be required to appeal your aid for the semester. The academic progress standards are listed [here](#).

In order to consider your appeal for financial aid, you must:

- have a current FAFSA on file,
- not have any holds that prevent registration,
- be registered for at least 6 credit hours, and
- complete and submit this form.
