Join an Organization

Did you know that college students who are involved in at least ONE organization or activity outside of class are MORE likely to graduate from college?

Our students distinguish themselves by taking an active role in campus life and the community. Motivated to make a difference or simply to make friends, you'll find more than 190 clubs and organizations, including student publications, academic recognition societies, major-focused groups, peer education groups, community service organizations, student government, Greek life, special interest and leadership groups, religious organizations, and club sports.

You can view a list of the student organizations by interest or [alphabetical](#).

[Access the PowerPoint from the recertification meeting.](#)
