## Immunization Compliance Frequently Asked Questions

- Where can I find the immunization compliance form?**  
The form can be accessed through the [Office of Admissions website](#), and for your convenience, we have provided a link to [the form](#).
- Who should submit proof of immunization compliance?**  
Proof of immunization compliance is required from **all first-time students & transfer students**.
- What immunizations are required by UL Lafayette?**  
UL Lafayette requires proof of the following vaccinations: **MMR (2 doses), Tetanus (within the last 10 years), and Meningitis (2 doses if first dose was given before 16th birthday)**. The University will also accept proof of Measles vaccine (2 doses), Mumps vaccine (1 dose) and Rubella vaccine (1 dose). Tetanus vaccination can be in the form of either a Td or Tdap vaccine. Students are also required to complete **Tuberculosis (TB) screening (Section C of the Proof Of Immunization Compliance form)**. For more information on vaccinations, please visit the Center for Disease Control's website (<http://www.cdc.gov/vaccines/pubs/vis/default.htm>).
- Can I sign a waiver for the required immunizations?**  
Students can request a waiver of the required immunizations by signing **Section B** of the Proof of Immunization Compliance form.
- Can I submit my immunization form by fax or e-mail?**  
Immunization forms can be sent to Student Health Services by mail (P.O. Box 43692, Lafayette, LA 70504-3692) or fax (337-482-1873). Currently, we are not accepting immunization forms by e-mail.
- Can I receive my I-20 before I submit proof of immunization compliance?**  
I-20s are issued by Undergraduate Admissions or the Graduate School, depending on your student level (undergraduate or graduate). Please contact their offices directly on this matter.
