

## Experience the World

It's your time to leave behind the familiar, explore new ideas, and discover exotic locales while creating memories that will inspire you for a lifetime.

Our study abroad program allows you to combine your intellectual pursuits with a sense of adventure—creating a deeper learning experience that widens your cultural views and prepares you for the global marketplace beyond graduation.

### Ragin' Cajuns Abroad

Experience history first hand

### Study Abroad on the geaux!

See what our students are sharing online from their study abroad experience with the #ULstudyabroad hashtag.

CHECK IT OUT

## Other Countries, Our Classrooms

Why not embark on the journey of a lifetime, traveling and learning from UL Lafayette faculty in an exciting and completely new environment?

Study abroad changes students' lives. It gives them a whole new perspective on what discovery is. It opens up the world and makes them travelers for life.

It's a unique opportunity—make it yours!
