Dear Dr. Reneau:

This is to request approval of the attached Ground Lease and Leaseback for renovation of the M.L. Tighe Moore Baseball Field.

We received preliminary approval for this project at the April 2015 board meeting, and the purpose of this submission is the presentation of all final documents according to the Alternately Financed Capital Improvements PPM. Because this project is being funded from donations, there is no financing or business plan included with this submission.

Please place this item on the agenda for consideration at the February 2016 meeting of the Board of Supervisors.

Sincerely,
