

Interim Dean Susan Richard, University Libraries, was appointed in 2018. Previously she served as the Associate Dean of University Libraries for eight years. Richard has administrative oversight for all library operations providing leadership in development of short- and long-range goals, strategic priorities and plans for library services, facilities and academic learning spaces, and collection development. She holds a bachelor's of science in elementary education (1982) and a master's of library science (1984) from Louisiana State University.
