President's Honor Roll

In 2014, the University of Louisiana at Lafayette earned a place on the President's Higher Education Community Service Honor Roll for the third consecutive year.

Membership in the Honor Roll recognizes the part colleges and universities play in volunteering and service. It's the highest federal recognition a university can receive for its commitment to community, service-learning, and civic engagement. That's over 150,000 hours of service, by over 7,000 volunteers every single year.
