

Curriculum Vitae

CHERYL STELLY LYNCH

(FORMERLY CHERYL STELLY MENARD)

PERSONAL:

5500 Cheryl Drive

New Iberia, LA 70560

Work Phone: 337-482-6596

Home Phone: 337-364-1845

Date of Birth: December 21, 1954

Married, 3 children

USA Citizen

CURRENT EMPLOYMENT:

Department Head & Professor, Psychology Department

Psychology Department Head, 2009-present

Psychology Department Faculty, 1994-present

Graduate Faculty, 1994-present

The Institute for Cognitive Science Counsel/Faculty Member, until 2009

University of Louisiana at Lafayette

P. O. Box 43644

Lafayette, Louisiana 70504-3131

(318)482-6596 Fax: (318)482-6195

csm5689@usl.edu

EDUCATION:

- 1991-1994 Post-Doctoral Fellowship, Neuroanatomy
Tulane University Medical School, New Orleans, LA; Richard Harlan, Ph.D., sponsor
- 1991 Ph. D., Psychobiology
Tulane University, New Orleans, LA
Dissertation: "Estrogen-dependent Cholinergic Regulation of Sexual Receptivity in Intact Cycling Female Rats"; Gary P. Dohanich, Ph. D., advisor.
- 1987 M. S., Experimental Psychology
University of Southwestern Louisiana, Lafayette, LA
Thesis: "The Effects of Specific Hippocampal Lesions with Kainic Acid on Active and Passive Avoidance"; Alvin L. Beggs, Ph. D., advisor.
- 1985 B. A. (Cum Laude), Psychology
Nicholls State University, Thibodaux, LA
Minor: Computer Science.

PAST RESEARCH:

JOURNAL PUBLICATIONS

- Richard K. Nelson, R. K., Protti, T. A., & **Lynch, C. S.** (*Submitted*). Effects of pheromones on facial attraction in straight and gay men.
- Smith, T. S., Lynch, C. S., Wozencraft, T., & Perkins, D. R. (2014). Delineating psychology as an academic and applied discipline. *The Rehabilitation Professional*, 22(4), 259–268.
- Fontenot, M. B., Wilkes, M. N., & **Lynch, C. S.** (2006). The effects of outdoor housing on self-injurious and stereotypic behavior in rhesus macaques. *Journal for the American Association for Animal Laboratory Science*, 45, 35-43.
- Fontenot, M. B., Padgett, E. E., III, Dupuy, A. M., **Lynch, C. S.**, De Petrillo P. B., & Higley, J. D. (2005). The effects of fluoxetine and buspirone on self-injurious and stereotypic behavior in adult male rhesus macaques. *Comparative Medicine*, 55, 67-74.
- Harlan, R. E., Brown, H. E., **Lynch, C. S.**, Souza, D., & Garcia, M. M. (2000). Androgenic-anabolic steroids blunt morphine-induced c-fos expression in the rat striatum: possible role of β -endorphin. *Brain Research*, 853, 99-104.
- Lynch, C. S.**, & Story, A. E. (2000). Dihydrotestosterone and estrogen regulation of rat-brain androgen-receptor immunoreactivity. *Pharmacology and Behavior*, 69, 445-453.
- Lynch, C. S.**, Ruppel, T. E., Domingue, R. N., & Ponthier, G. L. (1999). Scopolamine inhibition of female sexual behavior in Rhesus Monkeys (*Macaca mulatta*). *Pharmacology Biochemistry and Behavior*, 63, 655-661.
- Menard, C. S.**, Hebert, T. J., Dohanich, G. P., & Harlan, R. E. (1995). Androgenic-anabolic steroids modify μ -endorphin immunoreactivity in the rat brain. *Brain Research*, 669, 255-262.
- Hebert, T. J., **Menard, C. S.**, & Dohanich, G. P. (1995). The effects of repeated hormonal treatment on 8-OH-DPAT inhibition of lordosis in female hamsters and rats. *Physiology and Behavior*, 57, 523-527.
- Menard, C. S.**, & Dohanich, G. P. (1994). Estrogen dependence of cholinergic systems that regulate lordosis in cycling female rats. *Pharmacology Biochemistry and Behavior*, 48, 417-421.
- Menard, C. S.**, & Harlan, R. E. (1993). Up-regulation of androgen receptor immunoreactivity in the rat brain by androgenic-anabolic steroids. *Brain Research*, 622, 226-236.
- Dohanich, G. P., Ross, S. M., Francis, T. J., Fader, A. J., Wee, B. E. F., Brazier, M. M., & **Menard, C. S.** (1993). The effects of a muscarinic antagonist on various components of female sexual behavior. *Behavioral Neuroscience*, 107, 1-8.
- Menard, C. S.**, Hebert, T. J., Ross, S. M., & Dohanich, G. P. (1992). The effects of estrogen treatment on scopolamine inhibition of lordosis. *Hormones and Behavior*, 26, 364-374.
- Menard, C. S.**, & Dohanich, G. P. (1990). Physostigmine facilitation of lordosis in naturally cycling female rats. *Pharmacology Biochemistry and Behavior*, 36, 853-858.
- Menard, C. S.**, & Dohanich, G. P. (1989). Scopolamine inhibition of lordosis in naturally cycling female rats. *Physiology and Behavior*, 45, 819-823.

CONFERENCE POSTER PRESENTATIONS (& PUBLISHED ABSTRACTS)

- LeBlanc, B., Protti, T. A., & **Lynch, C. S.** (2017, March-April). Attitudes towards Homosexuals. SWPA Conference, San Antonio, TX,.
- Protti, T. A., Nelson, R. K., & **Lynch, C. S.** (August, 2016). Effects of Pheromones and Sexual Orientation on Sexual Attraction in Females. Poster presented at the 20th Annual meeting of the Society for Behavioral Neuroendocrinology, Montreal, CANADA.
- Nelson, R. K., Protti, T. A., & **Lynch, C. S.** (August, 2016). Influence of Pheromones and Sexual Orientation on Men's Perception of Sexual Attractiveness. Poster presented at the 20th Annual meeting of the Society for Behavioral Neuroendocrinology, Montreal, CANADA .
- Protti, T. A., Nelson, R. K., & **Lynch, C. S.** (June 2015). Gender differences in sexual attraction during exposure to natural human pheromones. Poster presented at the 19th Annual meeting of the Society for Behavioral Neuroendocrinology, Asilomar, CA.
- Wilkes, M. N., **Lynch, C. S.**, & Fontenot, M. B. (2006, August). Outdoor housing decreases self-injurious and stereotypic behavior in adult male rhesus macaques (*macaca mulatta*). ASP Conference 2006 Abstract # 157. Poster presented at the American Society of Primatologist Conference 2006, San Antonio, TX, Session 17.
- Mason, J. M., Bader, C. M., Johnston, J.D., Wingate, A. E., Broussard, J. R., Suire, J. G., Laubscher, M. J., & **Lynch, C. S.** (2001, June). Gonadal steroid regulation of learning and memory in young women across the menstrual cycle. Poster presented at the 5th Annual Meeting of the Society for Behavioral Neuroscience, Phoenix, AZ. Abstract published in Hormones and Behavior, 39, 339 (#55).
- Bader, C. M., Mason, J. M., Johnston, J.D., Wingate, A. E., Broussard, J. R., Suire, J. G., Laubscher, M. J., & **Lynch, C. S.** (2001, June). Gonadal steroid regulation of learning and memory in young women taking oral contraceptives. Poster presented at the 5th Annual Meeting of the Society for Behavioral Neuroscience, Phoenix, AZ. Abstract published in Hormones and Behavior, 39, 323-324 (#56).
- Strother, D. M., MacGyvers, V. L., & **Lynch, C. S.** (2000, March-April). The use of androgenic anabolic steroids among high school football athletes. Poster presented at the 2000 SRA (Society for Research on Development) Biennial Meeting, Chicago, IL.
- Babineaux, J. A., Stroderd, M. A., Adcock, E. K., Case, D. P., Benoit, R. J., Gaspard, H. R., Whittington, R. M., Williams, T. M., Mack, R. L., & **Lynch, C. S.** (1999, June). Estrogen regulation of discrimination acquisition in intact and ovariectomized Rhesus Monkeys. Poster presented at the 3rd Annual Meeting of the Society for Behavioral Neuroscience, Charlottesville, VA.
- Lynch, C. S.**, Babineaux, J. A., Stroderd, S. M., & Adcock, E. K. (1998, June). Estrogen regulation of reversal discrimination in estrogen-treated, ovariectomized female Rhesus Monkeys. Poster presented at the 2nd Annual Meeting of the Society for Behavioral Neuroscience, Atlanta, GA.
- Lynch, C. S.**, Ruppel, T. E., Domingue, R. N., & Ponthier, G. L. (1997, May). Scopolamine inhibition of female proceptive sexual behavior in ovariectomized Rhesus monkeys. Poster presented at the Innaugural meeting of the Society for Behavioral Neuroscience, Baltimore, MD.
- Lynch, C. S.**, & Story, J. A. (1997, October). Androgenic-anabolic steroid metabolite regulation of androgen-receptor availability in the rat brain. Society for Neuroscience Abstracts, 23, 726.11. Poster presented at the 27th Annual Meeting of the Society for Neuroscience, New Orleans, LA.
- Hebert, T. J., Zhao, Z., Pace, J. M., **Menard, C. S.**, & Dohanich, G. P. (1996, November). Estrogen increases NADPH-diaphorase reactivity in the hypothalamus and basal forebrain of female rats. Society for Neuroscience Abstracts, 22, 533.12. Poster presented at the 26nd annual meeting of the Society for

Neuroscience, Washington, D. C.

- Menard, C. S.,** Hebert, T. J., Ruppel, T. E., Harlan, R. E., & Dohanich, G. P. (1995, June). Androgenic-anabolic steroids alter male sexual behavior in castrated rats, but not intact rats. Poster presented at the 27th annual meeting of the Conference on Reproductive Behavior, Boston, MA.
- Menard, C. S.,** Hebert, T. J., Dohanich, G. P., & Harlan, R. E. (1994, June). β -endorphin immunoreactivity in the rat brain is modified by androgenic-anabolic steroids. Poster presented at the 26th annual meeting of the Conference on Reproductive Behavior, Bethlehem, PA.
- Menard, C. S.,** Lucas, L. R., Lee, C. Y., Dohanich, G. P., & Harlan, R. E. (1993, November). Androgenic-anabolic steroid regulation of tachykinin- and enkephalin-mRNA expression in the rat striatum. Society for Neuroscience Abstracts, 19, 596.12. Poster presented at the 23rd annual meeting of the Society for Neuroscience, Washington, D. C.
- Menard, C. S.,** & Harlan, R. E. (1992, October). Regulation of androgen receptor immunoreactivity by anabolic steroids in intact and castrated male rat brains. Society for Neuroscience Abstracts, 18, 229.9. Poster presented at the 22nd annual meeting of the Society for Neuroscience, Anaheim, CA.
- Menard, C. S.,** Hebert, T. J., & Dohanich, G. P. (1991, November). Scopolamine inhibition of lordosis: Effects of variable doses & repeated administrations of estrogen. Society for Neuroscience Abstracts, 17, 197.19. Poster presented at the 20th annual meeting of the Society of Neuroscience, New Orleans, LA.
- Ross, S. M., **Menard, C. S.,** Brazier, M. M., & Dohanich, G. P. (1991, November). Effects of scopolamine on sexual behaviors of female rats. Society for Neuroscience Abstracts, 17, 197.15. Poster presented at the 20th annual meeting of the Society for Neuroscience, New Orleans, LA.
- Menard, C. S.,** & Dohanich, G. P. (1990, October). Estrogen-dependent cholinergic regulation of lordosis in intact cycling female rats. Society for Neuroscience Abstracts, 16, 380.6. Poster presented at the 20th annual meeting of the Society for Neuroscience, St. Louis, MO.
- Menard, C. S.,** Dohanich, G. P., & Estella, N. M. (1989, November). The facilitation of lordosis in intact, cycling female rats following intraventricular infusion of eserine during proestrus but not diestrus. Society for Neuroscience Abstracts, 15, 435.9. Poster presented at the 19th annual meeting of the Society for Neuroscience, Phoenix, AZ.
- Menard, C. S.,** Estella, N. M., & Dohanich, G. P. (1990, June). Scopolamine fails to inhibit lordosis in female rats with septal lesions. Poster presented at the 22nd annual meeting of the Conference on Reproductive Behavior, Atlanta, GA.
- Menard, C. S.,** Dohanich, G. P., & Estella, N. M. (1989, April). The cholinergic facilitation of sexual behavior in intact, cycling female rats during proestrus. Poster presented at the 1st Society for Neuroscience Southeast Regional Meeting, New Orleans, LA.
- Menard, C. S.,** & Dohanich, G. P. (1988, November). Inhibition of lordosis in intact female rats following administration of scopolamine. Society for Neuroscience Abstracts, 14, 109.2. Poster presented at the 18th annual meeting of the Society for Neuroscience, Toronto, ONT.

CONFERENCE POSTER PRESENTATIONS (& PUBLISHED ABSTRACTS) (Continued)

Dohanich, G., Holland, R., **Menard, C.**, McMullan, M., Piazza, A., & Cada, D. (1988, June). Effects of cholinergic muscarinic antagonists on female sexual behavior. Oral presentation at the 20th annual meeting of the Conference on Reproductive Behavior, Omaha, NB.

Menard C. S., & Beggs, A. L. (1988, March). The effects of selective hippocampal lesions with kainic acid on active and passive avoidance. Poster presented at the 34th annual meeting of SEPA (Southeastern Psychological Association), New Orleans, LA.

Menard, C. S. [SPON: S. R. Hotard]. (1987, April). Behavioral, intellectual, and developmental effects on learning in first grade children of low socioeconomic status. Poster presented at the 33rd annual convention of SWPA (Southwestern Psychological Association), New Orleans, LA.

Gramling, S. E., McKnight, R., Price, A. W., Wentz, R., & **Menard, C. S.** (1986, March). The effects of shifts in reward magnitude on the rate reducing effects of pimozide. Poster presented at the 32nd annual meeting of SEPA (Southeastern Psychological Association), Orlando, FL.

GRANTS & FUNDING:

E-learning Grant, Fall 2018. C. Charles, V. MacGyers, T. Smith, W. Storey, M. Tauzin, A. LaTour, & **C. Lynch**, PIs.

Title: Videoconferencing set-up for G218.

UL Undergraduate Research Mini Grant, 2017-18. **C. S. Lynch** & B. M. LeBlanc, PIs.

Title: Homosexuality: Factors Predicting Social Acceptance.

UL STEP (Student Technology Enhancement Program) Grant, 2017-18. Breaux, B. O., Michael, R. B., Latour, A., & **Lynch, C. S.**, PIs.

Title: Cognitive psychology instructional and experimental lab upgrade.

UL STEP (Student Technology Enhancement Program) Grant, 2016. Allen M. Latour & **C. S. Lynch**, PIs.

Title: New PSYC Instructional, Testing, & Experimental Lab Upgrade.

UL STEP (Student Technology Enhancement Program) Grant. **C. S. Lynch**, PI.

Title: Psychology Department "Tiny-Technology" Enhanced Classroom (TTEC)

UL STEP (Student Technology Enhancement Program) Grant. Allen M. Latour & **C. S. Lynch**, PIs.

Title: New PSYC Instructional, Testing, & Experimental Lab Upgrade.

UL STEP (Student Technology Enhancement Program) Grant, Summer, 2014

Title: PSYC instructional, testing, & experimental lab upgrade.

UL STEP (Student Technology Enhancement Program) Award, Summer 2011.

Title: Psychology Department Technology-Enhanced Classroom (TEC).
C. S. Lynch & V. Bailey.

UL STEP (Student Technology Enhancement Program) Award, Summer 2009.

Title: Computer equipment for psychology classrooms.
C. S. Lynch.

UL Instructional & Scientific Equipments Grant, Fall, 2007.

Title: Differences between males and females in the effects of acute and chronic stress on learning and memory in Bobwhite quail (*Colinus virginianus*).
C. S. Lynch & A. Billock, PIs.

2001 Psi Chi Faculty Advisor Research Grant for the Southwestern Region.

Title: Estrogen Regulation of Maternal Behavior in Monkeys after Cesarean Delivery.
C. S. Lynch, Principal Investigator.

UL Scientific Equipment Grant, Fall, 2000.

Title: Request of Equipment for the Development of a Psychology Graduate Computer Workroom.
Bader, C., Mason, J., Sohr, S., Bernis, J., Boswell, S., Businelle, M., Armentor, B., & Lynch, C.

Legislative Appropriations Scientific Equipments Grant, Fall, 1998.

Title: Equipment for the General Psychology Laboratories used for the Instruction and Implementation of Behavioral Research Techniques.
C. S. Lynch, C. G. Cech, R. M. McFatter, R. K. Bothwell, V. G. MacGyvers, & D.E. Greenway.

USL 1998 Summer Research Award.

Title: The Effects of Estrogen on Discrimination Learning in Intact Female Rhesus Monkeys.
C. S. Lynch, Principal Investigator.

Board of Regents Support Fund Enhancements Grant. June, 1997-June, 1998.

Title: Enhancement of psychophysiological laboratories for the Instruction and Implementation of Research Techniques used in the Investigation of Behavior.
C. S. Lynch, Principal Investigator.

Louisiana Educational Quality Support Fund Enhancements Grant. June, 1994-June 1995.

Title: Enhancement of Psychobiology Laboratories for the Implementation and Instruction of Cellular and Molecular Techniques in the Investigation of Behavior.
G. P. Dohanich, A. A. Gerall, C. S. Menard, W. P. Dunlap, & T. E. Christenson, PIs.

Department of Psychology, Tulane University. National Research Service Award (N.R.S.A. Fellowship # Da 05521-01) from National Institute on Drug Abuse (N.I.D.A.), October, 1992 to August, 1994.

Title: Anabolic Steroid-Induced Changes in Dopamine and Opioids.
Cheryl S. Menard, PI (R. E. Harlan, Sponsor), Anatomy Dept., Tulane U. School of Medicine.

INVITED COLLOQUIUM & LECTURE PRESENTATIONS:

Lynch, C. S. (September 17, 2001). Hormonal regulation of maternal behavior. UL Electrical Engineering Invited Lecture Series.

Lynch, C. S. (November 29, 2001). Hormonal regulation of learning & memory in young women. UL MIND & matter Colloquium Series.

Lynch, C. S. (September 17, 2001). Hormonal regulation of maternal behavior. Electrical Engineering Invited Lecture Series.

Lynch, C. S. (Fall, 2001). Animals Research. Guest Lecturer in PSYC115-01.

Lynch, C. S., Mason, J., & Bader, C. (April 14, 2000). Hormonal regulation of learning & memory. UL MIND & matter Colloquium Series.

Menard, C. S. (October 18, 1995). Modification of central nervous system mechanisms during anabolic steroid abuse. USL Cognitive Sciences Colloquium Series.

Menard, C. S. (October 11, 1995). Estrogen-dependent cholinergic regulation of female sexual behavior. USL Cognitive Sciences Colloquium Series.

Menard, C. S. (January 29, 1992). Estrogen-dependent cholinergic regulation of lordosis in intact cycling female rats. Tulane Medical School Department of Anatomy Fall Seminar.

Menard, C. S. (January 28, 1992). Cholinergic regulation of lordosis behaviour in intact cycling female rats. Loyola University Seminar in Neurobiology.

Menard, C. S., & Hebert, T. J. (March 24, 1992). Estrogen regulation of central cholinergic mechanisms mediating lordosis behavior. Psychology Day, sponsored by Psi Chi (the National Honor Society in Psychology) and the USL Psychology Department.

Menard, C. S. (April, 1992). Estrogen-dependent cholinergic regulation of lordosis in intact cycling female rats. Tulane University Psychology Department Spring Colloquium Series.

AWARDS:

Who's Who of American Women, 26th Ed, 2007.

Who's Who in American Education, 6th Ed, 2004-2005.

Who's Who in the World, 17th Ed, 2000.

Who's Who in America, 15th Ed, 1998.

Outstanding Teacher Award, USL Beacon Club, May 8, 1997

Who's Who in Science and Engineering, 3rd Ed, 1995.

Outstanding Teacher Award, USL Beacon Club, March 29, 1995.

Graduate School Tuition Scholarship, Tulane University, New Orleans, LA,
1990-91, 1989-90, 1988-89, 1987-88.

3rd Place, Short Story, Louisiana Collegiate Literary Society Competition, 1985.

PROFESSIONAL ACTIVITIES:

PROFESSIONAL ORGANIZATIONS:

Society for Behavioral Neuroendocrinology, Member, 1996-2009.

International Brain Research Organization, Member, 1991-present.

Society for Neuroscience, Member, 1988 - 2009.

Psi Chi (National Honor Society for Psychology), 1984 - present. Past UL Chapter Co-Advisor.

UNIVERSITY COMMITTEE PARTICIPATION:

UL Department Heads Council, 2009-Present.

UL Committee for Academic Affairs & Standards, 2014-2017.

UL Faculty Senate, 2013-2018.

UL University Grades Appeals Committee:, 2013-2018; Chair, 2016-17, 2017-18.

UL Student Affairs Appeals Court, 2013-2017.

UL Faculty Senate Committee on Committees Subcommittee, 2013-2018.

UL QSN Committee to select new College of LA Dean, 2012.

UL Animal Care and Use Committee, 1996-2004.

UL Psychology Department Curriculum/Undergraduate Program Committee, 1994-present.

UL Psychology Department Graduate Committee, 1998-present.

PROFESSIONAL SERVICES:

Judge for the Louisiana District IV Science & Engineering Fair (2009, 2010, 2011, 2012).

Judge for the Louisiana District IV Social Studies Fair (2005, 2004, 2006, 2009, 2010, 2012, 2014-present)

Journal Reviewer for *Frontiers in Neuroscience*

Journal Reviewer for *Physiology & Behavior*, Elsevier Publishers.

Book Reviewer for Thomson-Wadsworth.

Book Reviewer for Sinauer Publishes.

Abstract Reviewer for SWPA (Southwestern Psychological Association) Convention.

Guest Lecturer at New Iberia High School (2003). Topic "Drug Abuse: 2003"

Guest Lecturer at Delcambre High School (2002). Topic "Getting into College"

Guest Lecturer at SLCC (2001, 2000). Topic "Animal Research"

Guest Speaker at Delcambre High School Scholastic Banquet (2000). Topic "Small Town to Big Profession".

PROFESSIONAL WORK EXPERIENCE:

Associate Professor, August, 2002-present;
Assistant Professor, August, 1997-2002; &
Instructor, August, 1994-1997.

Psychology Department, University of Louisiana, Lafayette, LA

NIDA (National Institute on Drug Abuse) N. R. S. A. Post-doctoral Fellow, October, 1992-August, 1994
Anatomy Department, Tulane Medical School, New Orleans, LA, Richard Harlan, sponsor,

Post-doctoral Fellow, Summer, 1991 to October, 1992.

Anatomy Department, Tulane Medical School, New Orleans, LA., Richard Harlan, sponsor.

Associate Supervisor, Fall, 1987 to 1994.

Educational Testing Services, Princeton, NJ. Administration of NTE, GRE, G-MAT, SAT, L-SAT.

Teaching Assistant to Lawrence W. Dachowski, Ph. D., Spring, 1991. (Professional Issues in Psychology)
Psychology Department, Tulane University, New Orleans, LA.

Instructor, Fall, 1990. Course-Seminar in General Psychology
Psychology Department, Tulane University, New Orleans, LA.

Instructor, Summer, 1990. Course-Brain and Behavior
University College Summer School, Tulane University, New Orleans, LA.

Teaching Assistant to C. Chrisman Wilson, Ph. D., Spring, 1990. (Professional Issues in Psychology)
Psychology Department, Tulane University, New Orleans, LA.

Teaching Assistant to Gary P. Dohanich, Ph. D., Fall, 1989. (Psychobiology; Brain and Behavior)
Psychology Department, Tulane University, New Orleans, LA.

Research Assistant to Gary P. Dohanich, Ph. D., Summer, 1989.
Psychology Department, Tulane University, New Orleans, LA.

Teaching Assistant to Mary B. Anderson, Ph. D., Spring, 1989. (Neuroscience Neuroanatomy Laboratory)
Neuroscience Department, Tulane Medical School, New Orleans, LA.

Teaching Assistant to Lawrence W. Dachowski, Ph. D., Fall, 1988. (Introductory Psychology)
Psychology Department, Tulane University, New Orleans, LA.

Research Assistant to Gary P. Dohanich, Ph. D., Summer, 1988.
Psychology Department, Tulane University, New Orleans, LA.

Teaching Assistant to Gary P. Dohanich, Ph. D., Spring, 1988. (Introductory Psychology)
Psychology Department, Tulane University, New Orleans, LA.

Teaching Assistant to Gary P. Dohanich, Ph. D., Fall, 1987. (Brain and Behavior)
Psychology Department, Tulane University, New Orleans, LA.

Teaching Assistant to Adelbert W. Price, Ph. D., Fall, 1985. (Experimental Psychology Laboratory)
Psychology Department, Nicholls State University, Thibodaux, LA.
