- 2014 – 2015** *Post-Doctoral Fellow in Education*, Duke University – Durham, NC
- Served as a mentor and co-instructor in selected senior-level literacy method classes
 - Constructed and instructed course, “Listening to History: Educational Discourses through Oral History”

Heather Stone

- Created and implemented workshops in reading and writing methods for a global partnership with Shiv Nadar University in India with Duke University's Program in Education
- Observed and provided feedback and guidance to student teachers with a focus on reading and writing methods
- Participated on the curriculum committee that approves new majors, minors, and certificate programs
- Taught summer school courses "Educational Foundations" and "Educational Psychology"

2013 – 2014 *Reading Specialist*, Baton Rouge Charter Academy – Baton Rouge, LA

- Provided reading and writing training and support to teachers by creating curriculum and modeling lessons in classrooms
- Conducted ongoing staff development based on the needs and requests of teachers
- Identified and implemented technologies which were used to support student differentiation
- Collected, analyzed, and reported on school and student benchmark in order to help teachers create instruction

2012 – 2013 *Student Teacher Supervisor*, Louisiana State University – Baton Rouge, LA

- Supervised and mentored a cohort of student teachers in a Master's program during their student teaching experience
- Coordinated and maintained communication between the student teachers and the staff at their placement schools in order to meet school and program needs such as curriculum alignment and state mandated requirements for pre-service teachers
- Developed a curriculum for the cohort based on the individual needs of the student teachers to help them be successful

2012 – 2013 *Graduate Assistant for Online Program in Higher Education*, Louisiana State University – Baton Rouge, LA

- Collaborated with faculty and Dean's office to understand program needs and worked with the technology department to fulfill these requests
- Helped to integrate the curriculum from *brick and mortar* to an online program for distance learning
- Established web sites for the online classes and supported the professors in the implementation process

2006 – 2012 *English, Language Arts 2nd Grade Teacher* – Zachary, LA

- Facilitated small-group learning based on student data from both formative and summative assessments.
- Created and taught in-service lessons for teachers on the topics of Guided Reading, Writer's Workshop, phonics, and small group instruction
- Formulated assessment and data collection to drive instruction

1998 – 2005 *Technology Positions*, News and E-Commerce Companies – New York, NY

Heather Stone

- Developed and maintained the schedules and production plans by collaborating with the technical, creative, and content departments
- Reviewed the needs of the individual magazines to determine where applications could be developed to increase ease of use for the consumer
- Supported major companies, including Time Warner, Marquis Who's Who, Capital Thinking, and Luxuryfinder.com
