Transfer Your Credits

Only accredited community college and university credits are accepted. UL Lafayette does not accept credits from vocational, special program or business schools.

All courses and grades from an accredited college or university will transfer and be used in your total hours attempted, earned and the cumulative GPA. These totals will be used for financial aid status, scholarship requirements and academic status. However, all credits will not necessarily satisfy the requirements for your specific major. Transferable credits for degree requirements will be determined by the dean's office of your major at the beginning of your first semester at UL Lafayette.

For an unofficial evaluation of what credits will count in your degree program at UL Lafayette, you can email, fax or mail a student copy of your transcript to:

Catalog of Transfer Credit

The courses in the catalog of transfer credit reflect those that have been evaluated by academic Colleges or Departments at UL for transfer equivalency. The catalog should be used as a resource for students planning to transfer to the University. If you do not find your institution and/or course listed, it is possible that a course has not been previously evaluated and entered into the catalog. The course evaluation process is ongoing and is not an exclusive list of all colleges or transferable courses. Please note that the UL evaluation of credit does not imply that other institutions will reciprocate the evaluation.

Transfer Credit Examples:

Direct Equivalent - If a course is considered as a direct equivalent to a UL course, the course will be given the corresponding UL course number.

ENGL 1010 Rhetoric and Composition = ENGL101 English Composition I

Evaluated course but no direct equivalent - If a course has no UL direct equivalent but is transferable to the University as an elective by title.

ENGL 2035 American Major Writers = ENGL 2XX Major American Writers

Transfer Credits from LSMSA

Since 2009, University of Louisiana at Lafayette has had an articulation agreement with the Louisiana School for Math, Science, and the Arts to award students college credit in select courses. Any student at LSMSA can take the approved courses and earn UL Lafayette credit. The requirements for the select courses are [outlined in the agreement](#).
