January 3, 2017

Dear Dr. Wheelan:

Please accept this letter from the University of Louisiana at Lafayette notifying the Southern Association of Colleges and Schools Commission on Colleges of the University's intent to voluntarily withdraw the accreditation status of its undergraduate Athletic Training program from the Commission on Accreditation of Athletic Training Education (CAATE).

CAATE, along with the National Athletic Trainers Association (NATA), have mandated a shift in the Athletic Training degree level from the Bachelor's to the Master's degree. Our best response to this mandate is to withdraw our undergraduate accreditation and apply for re-accreditation at a later time as a newly designed graduate program.

This withdrawal will become effective May 31, 2020, and the cohort of students enrolled in the Fall 2016 semester will be the last to graduate from the accredited program. No new students will be admitted into the undergraduate program from this point forward.

Student records will be kept on file in the School of Kinesiology in accordance with the withdrawal policies set forth by CAATE. We will maintain all other procedures, fees, and documentation that are required on a yearly basis by CAATE in order to keep the program in good standing and will allow all of the students enrolled in the current program to graduate.

A more detailed teach-out plan is included on the following pages.

Sincerely,

E. Joseph Savoie, President
