Adjusted and Cumulative Grade Point Averages: Grade Point Averages are computed for all courses taken at UL Lafayette and other institutions in which grades of A, B, C, D, and F (or the equivalent) are assigned. While the Cumulative GPA averages all grades earned, the Adjusted GPA is recalculated using only the last grade in repeated courses.

Cross Enrollment: UL Lafayette has Cross Enrollment Agreements with several institutions. This agreement allows students at each participating institution to attend both institutions concurrently. When a student participates in the Cross Enrollment Program, a course is scheduled indicating the participating institution and total hours enrolled (e.g. SLCC 100 – Cross enrolled with the South Louisiana Community College). These courses are not assigned a grade. Credit is received and recorded as transfer work.
