

# SAVE THE DATE!

The 2019 LOUIS Users Conference will be held October 14-16th at the C. B. Pennington Jr. Conference Center in Baton Rouge, Louisiana.

LOUIS has provided a users conference since its inception in 1992. It is currently known as the LOUIS Users Conference (LUC), an annual conference hosted by LOUIS for our partners.

Our purpose is to bring inspired people--like our partners--together to communicate and collaborate to ensure we remain the premier source for our users' research, learning, and teaching needs.

## PARTICIPATION

We offer a number of exciting opportunities to participate in the conference. You can present in a single session, moderate a sharing session, or be part of a panel. The conference sessions cover a number of topics, so there is an opportunity for everyone!
