Circulation Services

Circulation Services provides friendly and courteous service to the University of Louisiana at Lafayette community and the general public in lending library materials. Additionally, staff members are responsible for answering directional questions, maintaining photocopiers, and group study rooms.

Materials may be checked out with a valid University ID card. Circulation period for books is three weeks. Renewal of materials that are not overdue is available online and at the Circulation desk. Holds may be placed only on materials that are currently checked out, not items available on the shelf, lost or missing. Fines for overdue library books are 25 cents per item per day. Fines must be paid with Cajun Cash.
