Your answer

Are there specific library resources you would like covered in this class? *

Your answer

Is this library visit to prepare students for a particular assignment? If so, please describe the assignment, including the number and type of sources they will be required to find. *

Your answer

Will the students have a topic in mind before their library visit? *

○ Yes, students will know what their topic is before we visit the library

○ No, the students will not have chosen a topic yet, or will be in the process of refining their topics

○ Topic choice isn't relevant to the work they will be doing in this class.

○ Other:

What else would you like us to know about your request?

Your answer

Do you teach other sections of this same course that you would also like to bring to the library? If so, please provide the day and times of those additional sections. If not on the same day of the week as the section listed above, please give us three possible library visit dates for each section, in order of preference.
