Playing is learning!

One of the best indicators of later academic success is a child's social and emotional development as a preschooler. The CDC offers safe and stimulating playtime in all areas to help strengthen your child's social-emotional development.

Childcare for UL Lafayette

The Child Development Center provides the highest quality childcare and preschool services for the children of students, faculty and staff of the University of Louisiana at Lafayette. Our dedicated staff of childcare professionals nurture and care for infants aged twelve months through six years in our multi-classroom building located near campus on East Lewis Street. Please read our [admission policy](#) and give us a call—we would love for you to come visit us to see our program and facilities firsthand!
