

Health Services

The special care you need to feel your best—right on campus! Take advantage of all the services available:

- Care for minor illnesses, minor injuries, & stable chronic medical conditions
- Minor surgeries & procedures
- Physical exams
- Women's health
- Immunizations
- Allergy shots
- & more

Semester Break Hours

We will be seeing patients during the upcoming semester break May 13th through June 7th. Appointment hours will be 12pm-3:45pm Monday-Thursday & 7:45am-10:45am Friday.

Important Changes

Our clinic now sees patients as **Appointments Only**. This change has increased the clinic's efficiency and services offered. Students must call us at 482-1293 to schedule an appointment. If you are experiencing a medical emergency, call us for same day scheduling.

Minor Consent Form

We ask that all parents of UL students who are under the age of 18, please complete **this form** and return it to our clinic. Thank you for assisting us with this task!

Student Immunization

We're Here for You

Student Health Services, under the Student Affairs umbrella, is aimed at enhancing your learning experience on campus. Take advantage of what we have to offer.

We invite you to explore our website to learn about our services and costs, stop by our clinic in O.K. Allen Hall, Saucier Wellness Center, at 220 Hebrard Boulevard, or call us at (337) 482-1293 if you have any questions or concerns.

We look forward to taking care of your health care needs while you are here at UL Lafayette.

Appointment Tips

CALL US

Make an appointment by calling (337) 482-1293.

We are open during semester breaks and University administrative office hours. Please refer to our **Clinic Hours** for any additional information.

SUBSEQUENT VISITS

MEDICAL INSURANCE

PARKING FOR VISITS

Proof of Immunization Compliance

All students applying for admissions to the University must complete the **Immunization Compliance Form**.

You may be able to print a copy of your immunization record after registering your information at la.myir.net.

Update

UL Lafayette students who have enrolled after 2016 are required by a new state law to have proof of 2 Meningitis vaccinations if the first vaccination was received before age 16. Students enrolled before 2016 are not required to have a second vaccination. If anyone is interested in receiving added protection, we recommend contacting your physician for immunization updates. Feel free to contact Student Health Services at 482-1293 for more information.

If you have any concerns or questions, speak to a nurse @ (337) 482-1293 or see our [Frequently Asked Questions for Immunization Compliance](#).

Dorm Room Health Kits

Germs, Germs, Germs! They seem to be everywhere. College life can be hectic and stressful, to say the least. This can take a toll on our bodies and immune systems, which is why we are sharing this [Dorm Room Health Kit list](#). It's a few of the most common remedies for illnesses that may decide to pay you a visit. Don't hesitate to call or visit us if you have any medical concerns.
