

Student Government Association

Whether pertaining to issues of academics, campus life, or University services, concerns from students and all other members of the UL Lafayette community are always appreciated, as they are what drive the purpose of our organization—to enhance the lives of students at our University.

Your Big Three: President Chandler Harris, Vice President Anna Paddock, and Treasurer Reece Walker.

Your voice. Our mission.

The UL Lafayette Student Government association is here to make certain all students' needs are met by acting as a student voice for the campus community. We proudly serve as an outlet for student concerns and investigate solutions to various issues that affect the campus as a whole.

The SGA supports unity, teamwork, diversification, acknowledgment of excellence, mutual respect and a dedication to the positive development of each and every individual. Our goal is to meet the needs of current Ragin' Cajuns and lay the groundwork for those to come.
