## Contract Release Process

Once an individual has signed the contract on the portal, the student is then placed in a binding contract with the University of Louisiana at Lafayette's Office of University Housing. If the student wishes to request termination of that binding contract, the student must complete a contract release application form. Directions on how to proceed with a contract release can be found below.

### Contract Release Process:

- The student must email [oncampusliving@louisiana.edu](mailto:oncampusliving@louisiana.edu).
- After this conversation, if the student still feels the need to request release from their contract, they will be instructed on how to request this release.
- Allow 5-10 business days for the paperwork to be processed and for you to receive further instructions
