## About Us

Reporting to the [Vice President of Administration and Finance](#), the office of Sponsored Programs Administration and Compliance (SPFAC) provides post award management and financial oversight while ensuring compliance with federal regulations and adherence to state and university policies for all sponsored activities.

SPFAC's responsibilities also include contract review and negotiation, research accounting and financial reporting, time and effort certifications, subaward management, training and education in the administration of sponsored projects, and audit responsibilities.

### Federal Government Shutdown Guidance

Due to a lapse in appropriations, a partial government shutdown is in place. Not all agencies are affected.
