**Crosswalk Safety**

UL Lafayette's goal is to provide a safe environment on campus for everyone.

Whether you're driving or walking, we want you to be aware of the signals around campus and we want you to know how to approach them.

**Transit**

Home

## Transit Information

To minimize traffic congestion on the main campus streets, the University of Louisiana at Lafayette Transit System provides buses to transport commuters to the center of campus from Cajun Field.

A University parking permit is required when parking at Cajun Field. All vehicles parking on campus (including Cajun Field) must have a current permit. The commuter permit does not act as a night permit for parking on campus.

### UL GEAUX RIDE

**Download the UL Lafayette app for bus locations and pickup times!**

UL Geaux Ride is a vehicle tracking service using Ride Systems that provides users with real-time vehicle locations. Routes can be selected to determine stop locations and arrival times for the next bus. Users can also get real-time message updates so that passengers are aware of last minute or future changes to routes.

There are two different ways to receive this service.

1. Using a browser go to [ulgeauxride.com](http://ulgeauxride.com)
2. Download the app "UL Lafayette"

Please provide feedback about the app and/or services using the "Send feedback" option found within the app to help improve services.
