Dear ULL Employee:

The Board of Supervisors for the University of Louisiana System, which supports nine public universities including ULL, is conducting its annual review of all campus presidents. In order to assess the performance of President Savoie from an institutional perspective you are asked to complete the attached survey and return to me at your earliest opportunity; the introductory statement of the survey provides directions for submission. Please make note that we will compile all responses received by **Monday, June 13** so a prompt response is necessary and most appreciated.

Your input is invaluable to the performance review process. Please know that specific responses will be kept confidential.

Regards,
Jeannine Kahn
