2018 Distinguished Donors Recognition and Hall of Honor Inductees Presentation

Closing Remarks & Final Thank You

With Gratitude and Appreciation

The UL Lafayette Foundation Board of Trustees proudly recognizes those who have contributed to making the University of Louisiana at Lafayette a world-class institution. Tonight, we celebrate Honorees bestowing gifts of \$50,000 or more or pledging gifts of \$100,000 or more in the last year. We also recognize those who have given \$25,000-\$49,999. We gratefully acknowledge this community of donors and recognize their investments as tools to transform education and create a lasting positive impact.

Tonight's support represents \$13.5 million. These gifts directly contribute to the success of our University by offering support for students, faculty, and facilities. Donors' support and loyalty significantly influence and inspire academic and research excellence, athletic distinction, and the Ragin' Cajun tradition.
