Curriculum and Instruction, M.Ed.

[Return to: Undergraduate & Graduate Degrees](#)

The Masters of Education in Curriculum and Instruction program is a 36-39 graduate credit hour program. It is comprised of the following components:

- Core Courses (18 hours)
- Concentration Courses (15-18 hours)
- Research Capstone (3 hours)

There are five concentrations available:

1. Instructional Specialist
2. K-8 Mathematics Education
3. Non-Public Schools Administration
4. Special Education Diagnostics
5. Teacher Researcher

The program and its concentrations are delivered in 100% online, accelerated 7-week terms, with the exception of SPED 482G. The hybrid Special Education Diagnostics concentration courses are delivered in a face-to-face format in regular semesters, while all other concentrations are delivered in the 100% online, accelerated in 7-week terms. Two 7-week terms are offered during the regular Fall and Spring semesters and one term is offered during the regular summer session. New students may begin the program only in the terms that correspond with the start of a regular Fall, Spring, or Summer semester.

Admissions Requirements

In addition to the general admission requirements from the Graduate School, admission to the graduate program in the Curriculum and Instruction program requires:

- a valid teaching certificate
- that two of the three required letters of recommendation address the applicant's potential to become a teacher leader

Required Courses

Course requirements vary according to the concentration and cognate options desired by the student. The major requirements are:

- EDCI 507 - Writing for the Responsive Professional **3 Credit(s)**
- EDCI 508 - Research Methods to Impact Student Learning **3 Credit(s)**
- EDCI 570 - Diversity for the Progressive Educator **3 Credit(s)**
- SPED 502 - Educating the Exceptional Child **3 Credit(s)**
- IRED 501 - Integration of Technology in Instruction **3 Credit(s)**

- EDCI 572 - Current Issues in K-12 Instruction Practicum **3 Credit(s)**
or
- EDCI 520 - Advanced PCK for Math Teaching **3 Credit(s)** (K-8 Math Concentration Only)
or
- SPED 482G - Theories and Practice for Elementary Level Behavioral Interventions **3 Credit(s)** (Special Education Diagnostics Concentration Only)

Research Capstone Course

Students are required to take:

- EDCI 599 – Capstone in Curriculum and Instruction **3 Credit(s)**
or
- EDCI 595 – Advanced Mathematics Practicum **3 Credit(s)** (K-8 Math Concentration only)

All other coursework must be completed prior to enrollment in EDCI 599 or EDCI 595.

Concentrations

Some concentrations have suggested sequences. Concentrations offered are outlined below.

Instructional Specialist Concentration - 15 Hours

The *Instructional Specialist* concentration positions students to refine, reform, or develop curricula and instruction for themselves and pre-service, novice, or veteran peers. Students should already be skillful at their craft and should be seeking demonstrative ways to share their expertise beyond their own classrooms. This concentration leads to a Louisiana state certification as an Instructional Coach, and thus students will be well positioned to assume roles as content coaches, lead teachers, curriculum coordinators, department chairs, peer evaluators, and induction specialists, among others.

- EDCI 530 – Advanced Teaching Strategies **3 Credit(s)**
- EDCI 531 – Advanced Professional Strategies **3 Credit(s)**
- EDCI 542 – Supervision of Student Teaching **3 Credit(s)**
- EDCI 574 – Leading Teacher Learning **3 Credit(s)**
- EDCI 576 – Supporting Classroom Instruction **3 Credit(s)**

K-8 Mathematics Concentration - 18 Hours

The *K-8 Mathematics* concentration is anchored in intensive content and pedagogical courses. Students earn 21 graduate hours through this concentration en route to earning the Elementary Mathematics Specialist Certification (EMS). The EMS certification is available to mathematics educators in grades K-12 and is intended to signify the holder's ability to provide instructional leadership in mathematics. EDCI 595 serves as the capstone course for this concentration.

- 12 graduate credit hours of Mathematics content courses covering Number and Number Operations, Geometry, Algebra, and Data Analysis
- IRED 520 – Teaching STEM in K-8 Classrooms **3 Credit(s)**
- EDLD 810 – Leadership Theory and Practice **3 Credit(s)**

Non-Public Schools Administration Concentration - 15 Hours

The *Non-Public School Administration* concentration meets the educational leadership needs of the private/parochial sector, and as such it is offered both as a concentration of the M.Ed. program and as a Graduate Certificate in the College of Education. Students who successfully complete the requirements of this concentration will be eligible to apply for a Graduate Certificate, issued by the University of Louisiana at Lafayette, as well as the Master's in Education degree in Curriculum and Instruction.

- EDLD 700 – Administration in the Non-Public Sector **3 Credit(s)**
- EDLD 705 – Educational Philosophy and Ethos **3 Credit(s)**
- EDLD 710 – Financial Management **3 Credit(s)**
- EDLD 715 – Curriculum Design and Evaluation **3 Credit(s)**
- EDLD 720 – Educational Law in the Non-Public Sector **3 Credit(s)**

Special Education Diagnostics Concentration - 15 Hours

The *Special Education Diagnostics* concentration provides teachers and, in particular special education teachers, more training and in depth skills in diagnosing learning and behavior challenges of students with exceptional learning needs. The coursework focuses on using diagnostic assessment data to develop appropriate instructional plans to meet students' learning needs in reading and other core subject areas as well as behavior.

- SPED 484G – Assessment and Evaluation for Elementary Students With Mild/Moderate Disabilities **3 Credit(s)**
- SPED 535 – Consultation and Collaboration in Special Education **3 Credit(s)**
- SPED 539 – Advanced Studies in Assessment **3 Credit(s)**

- READ 520 – Developmental Reading **3 Credit(s)**
- READ 523 – Diagnosis of Reading Disabilities **3 Credit(s)**

Teacher Researcher Concentration - 15 Hours

The *Teacher Researcher concentration* accelerates the students' transition from classroom teacher to teacher-scholar. This concentration focuses on research endeavors designed to position students for matriculation to a doctoral degree program in education. Students will be encouraged to become "budding experts" in their chosen field by way of the intellectual inquiry embedded in this concentration's curriculum.

- EDLD 501 – Using Data to Effect Change **3 Credit(s)**
- EDLD 801 – Writing for Research in Educational Leadership **3 Credit(s)**
- EDCI 592 – Introduction to Qualitative Inquiry **3 Credit(s)**
