

2016-2017 Assessment Cycle VPAF_Information Systems

Mission (due 1/20/17)

University Mission

The University of Louisiana at Lafayette offers an exceptional education informed by diverse worldviews grounded in tradition, heritage, and culture. We develop leaders and innovators who advance knowledge, cultivate aesthetic sensibility, and improve the human condition.

University Values

We strive to create a community of leaders and innovators in an environment that fosters a desire to advance and disseminate knowledge. We support the mission of the university by actualizing our core values of equity, integrity, intellectual curiosity, creativity, tradition, transparency, respect, collaboration, pluralism, and sustainability.

University Vision

We strive to be included in the top 25% of our peer institutions by 2020, improving our national and international status and recognition.

College / Department / Program Mission

College Mission

Provide the college mission in the space provided. If none is available, write "None Available in 2016-2017."

We provide high-quality, cost-effective services in support of the research, education, and service missions of the University of Louisiana at Lafayette.

The Division is responsible for the University's physical environment and business operations that contribute to providing exceptional experiences for our students, faculty, staff, and visitors.

Department / Program Mission

Provide the department / program mission in the space provided. If none is available, write "None Available in 2016-2017".

Implement, monitor, manage, and maintain information technology resources (such as the campus data network, telephone system, computer systems, computer labs, and servers) at the University of Louisiana at Lafayette in support of the primary University functions of instruction, research, and public service. Additionally, we offer centralized support, training, and consulting services related to the technology provided to our campus community.

Assessment Plan (due 1/20/17)

Assessment List (Goals / Objectives, Assessment Measures and Criteria for Success)

Assessment List

Goal/Objective	Talent Management – Work with Human Resources to develop processes and procedures designed to attract, develop, motivate, and retain well-trained, productive, and engaged information technology staff.
Legends	OO - Outcome/Objective (administrative units);
Standards/Outcomes
