## Reflection (Due 9/15/17)

### Reflection

#### 1) How were assessment results shared in the unit?

*Please select all that apply. If "other", please use the text box to elaborate.*

Distributed via email (selected)

Presented formally at staff / department / committee meetings

Discussed informally (selected)

Other (explain in text box below)

#### 2) How frequently were assessment results shared in the unit?

Frequently (>4 times per cycle)

Periodically (2-4 times per cycle)

Once per cycle (selected)

Results were not shared this cycle

#### 3) With whom were assessment results shared?

*Please select all that apply.*

Department Head (selected)

Dean / Asst. or Assoc. Dean

Departmental assessment committee

Other faculty / staff

#### 4) What were the measurable or perceivable effects on your current (2016-2017) findings based on prior action plans (created in 2015-2016)?

We still need to discuss this.

#### 5) What has the unit learned from the current assessment cycle?

We have learned that there are several specific areas that need Improvement in applied study related specifically to Performance. We already knew that our data collection method was tedious, but this cycle confirmed it and we have decided to test a new jury management system that will allow us to collect data and generate reports electronically, without manually counting every paper jury sheet like before. Hopefully this will help us make assessment and reporting and natural part of our process.
